

# CUBBIES PIN

## WHAT YOU'LL NEED

1. Cubbies pin template (refer to page 2 to 6)
2. Air-hardening Clay or Super Dough
  - Singa: Orange, brown, white, black
  - Kalle: Yellow, grey, brown, white, black
  - Tomeo: Beige, brown, white, black
  - Sher: Light brown, brown, white, black
  - Tosh: Brown, white, black
3. Half an ice-cream stick
4. Glue
5. Hot glue gun
6. Pin back

Print out the template and prepare the colours of your favourite character.

Use the template as a pattern for shaping the cubbie head and facial features.

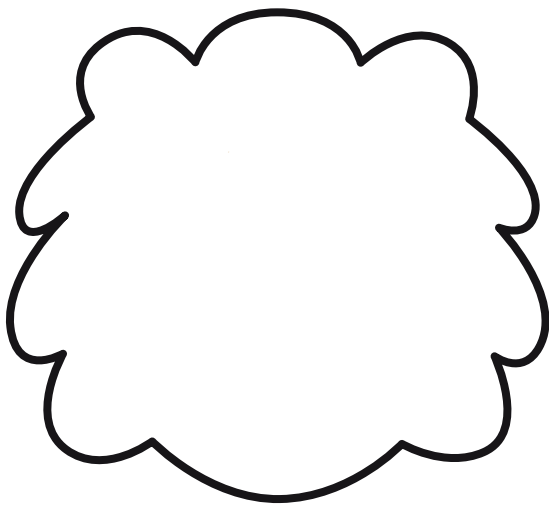

Using the template as a guide, piece the clay shapes together to form your cubbie head.

Hot-glue a cut out stick to the back of the cubbie head, then glue the pin back to the stick. Your cubbie pin is ready to wear.
