Together we Care and Share

TOGETHER WE CARE AND SHARE

Kalle is excited to be working on her new banner for the class.

These gerbera daisies will cheer our classmates up!

Indeed! You can also add a rainbow to make the banner even more bright and cheerful!

That's a great idea!

I can't wait to get started!

Opening her schoolbag, Kalle realises that she has left her paintbrushes at home.

Oh no, I didn't bring my paintbrushes today.

She feels so disappointed in herself.

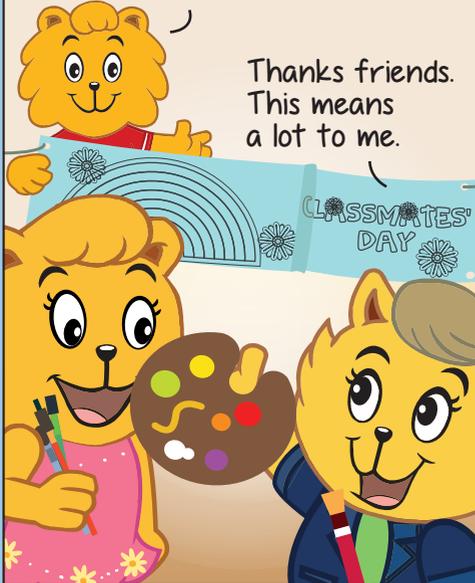

Sher notices Kalle's expression and quickly takes out her own art materials.

Don't worry, Kalle. I'll share mine.

That's so nice, Sher!

Come on, we can all help you with the banner.

Thanks friends. This means a lot to me.

Working together, the three cubbies complete a beautiful banner that brings smiles to everyone.

Family Detective

You can be a family detective when you begin your family history investigation with these activities. Be sure to bring along your detective notebook to take notes!

Interview a family member or guardian

Who are the best people to interview in your family? They could be your parents, grandparents, aunts, uncles or guardian. Some of them may even tell you their memories of your family from before you were born!

You may ask questions such as:

- Where did you grow up and what was it like?
- How did your family members teach you about being kind to others?

Photographs are records of precious family history. Ask a family member if he/she could share some photographs from an old photo album.

Look through an old photo album

Record your findings

After finding out more about your family history, note down the things that your interviewee shared with you.

Person whom I interviewed: _____

1. Where did he/she grow up and what was it like?
2. What did his/her family members teach him/her about being kind to others?
3. Other interesting things about him/her:

Made With Love

Family Time

Together with your family members, prepare a snack for a neighbour or friend to show that you appreciate their care and concern. Record the fun moments by sticking photographs or drawing the snack that you have prepared.

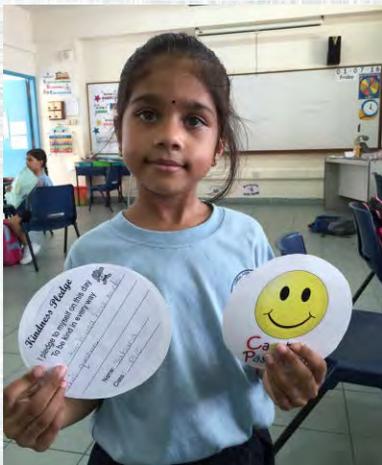

AWESOME!

CATCH IT, PASS IT ON!

A campaign was carried out in Coral Primary School to create a culture of care and respect in the school, through greeting one another with kind words and encouraging everyone to perform acts of kindness.

An art competition, which involved colouring, poster designing and comic illustration, was organised to highlight the message that a kind word could make someone's day.

The Kindness Club was formed. When members of the Club saw a fellow schoolmate perform a kind act, they passed a kindness badge to the pupil and the pupil in turn, passed it on to the next person who performed a kind act.

Recess activities such as "My Kindness Ladder" and "Wheel of Fortune" were played to encourage pupils to greet each other and to use kind words.

Towards the end of the campaign, pupils wrote a kindness pledge on a smiley face card and hung it on the 'Learn & Grow' tree. The tree was created to remind all Coralities to greet one another and do kind acts.
