

# TOMEIO AND THE SNOW SABER

## **Singapore Kindness Movement**

Kindness is in everyone. The Singapore Kindness Movement (SKM) wants to encourage everyone to start, show and share kindness. We aspire to inspire graciousness one kind act at a time. By helping people to learn to spare a thought for others around them, we hope to create a gracious society, and make life better for you and me.

SKM is a non-government, non-profit organisation, as well as a registered charity and Institution of Public Character.

## **Mission of SKM**

To help build a gracious Singapore, SKM aims to encourage the individual to internalise courtesy, kindness and consideration. Our mission statement is to inspire graciousness through spontaneous acts of kindness, making life more pleasant for everyone.

## **Objectives of SKM**

- To encourage all Singaporeans to be kind and considerate.
- To create public awareness of acts of kindness.
- To influence and raise the standards of behaviour and responsibility.

In addition, SKM also provides a range of pre-school programmes to build character and instil values in children. Join us in these programmes for a rewarding and fun learning experience, more details can be found on: <http://kindsville.kindness.sg> Together, we can build a nation of kindness, one child at a time.

Dear Teachers,

The Singapore Kindness Movement (SKM) believes that early education is important in laying the foundation for good character development. Thus, with this complimentary big book copy of *Tomeo and the Snow Saber*, we hope that the story will help to impart lessons on kindness towards neighbours and new friends.

Adapted from the animation series, *Tomeo's New Neighbour*, you may wish to complement your lesson by screening the video from our website:

An e-copy of the big book is also available for download on: <http://kindsville.kindness.sg>
