## Welcome to Kindsville, a little town where the Speedy Cubbies live.

Legend has it that the Speedy Cubbies are very quick to spread kindness to one another. They are so fast that the Mayor of Kindsville wants to reward every kind Cubbie with a mayor star for his/her good behaviour.

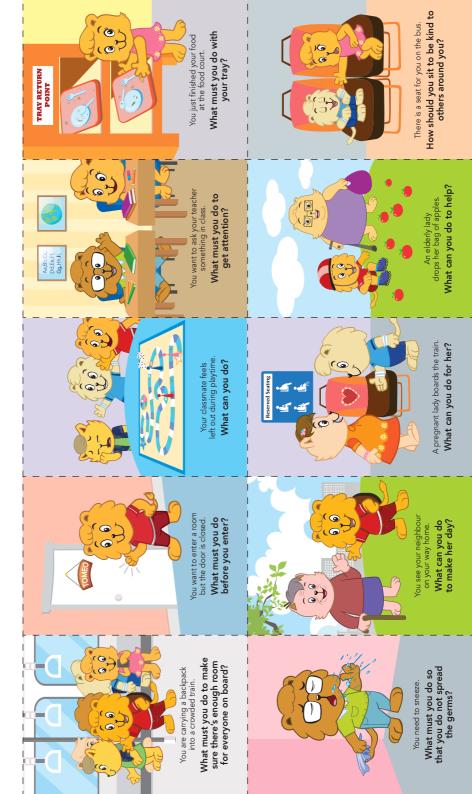

Join the Speedy Cubbies in performing kind tasks as you travel from home to school, playground, and back home. Your mission is to collect as many mayor stars along the way.

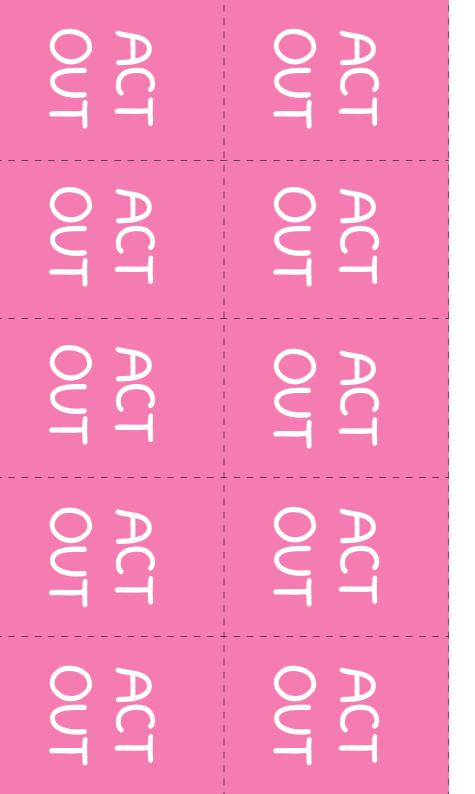

The only way to finish the game is to do or say the right thing, and know the right behaviour in **10 seconds**.

#### **SEND KIND MESSAGES AROUND!**

Kindness Ambassadors from Alexandra Primary School want to strengthen the culture of love amongst schoolmates through the use of "Super Words," which is a list of kind and polite words. Four main activities were conducted:

#### **Assembly Talks**

Pupils were taught how to use kind words in different settings such as the canteen, classroom, home, through videos and short skits. Posters were placed in all classrooms as visual reminders.

#### Kindness Day SG - Origami Hearts and Photos/Video Station

During recess, pupils folded origami hearts and penned down messages using "Super Words". These hearts were presented to their loved ones.

#### **Kindness Poster Design Competition**

Pupils designed posters, which promoted the use of "Super Words" and kind acts in school. The posters were displayed around the school to remind pupils to be kind and polite to each other.

#### **Kindness Mailbox and Kindness Star**

Every pupil wrote an appreciation note for their friends using a Kindness Star message card and put them into the Kindness Mailbox. These cards were collected and displayed in the canteen. Thereafter, the Kindness Ambassadors delivered the Kindness Stars to the recipients.

Through these activities, students understood the importance of communicating with one another politely and in a positive manner.

#### Dear Singa,

I was looking forward to my new school in January. I was allocated to class Mocha 2. I was anxious on my first day. My teacher, Ms Mahendran helped me around the school.

I love my classroom as it looks like a garden. It is decorated with beautiful and colourful butterflies.

I enjoy all the classes especially PAL as Ms Mahendran allows us to make choices and decisions during the lesson. I love my school because all my teachers are kind!

#### Dear Singa,

I like making friends in school. I feel happy when we help one another and share whenever we can. Once, my classmate was not sure how to complete her Math corrections. She looked worried, so I asked if she needed help. She replied, "Yes." After helping her, she looked happy and so was I.

Dear Singa,

One day, my mummy and I saw a boy crying outside the school. When we asked him what happened he said he couldn't find his mummy. My mummy lent the boy her phone so that he could call his mummy. I am happy we helped someone.
