Kindness DAY SG!

MCI 075/11/2017

Visit the Kindness Cubbies at <http://kindsville.kindness.sg>

Dear Parents,

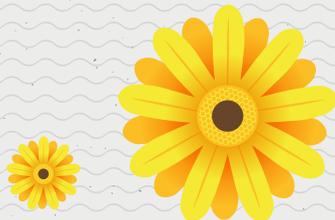

May is a special month, for we are celebrating Kindness Day SG (KDSG). KDSG was inaugurated in 2013 as an occasion for Singaporeans to come together in celebration of kindness and graciousness. It is to inspire one another and transform our society into a nation of kindness. This day is celebrated as a day for showing appreciation to one another, with the iconic symbol of the yellow gerbera. You may also spot the yellow gerbera daisy in this issue of Kindsville Times!

In this issue, we learn about showing care and appreciation to others. Children should be encouraged to practise caring for others and being grateful. Harvard psychologists have found that people who engage in the habit of expressing gratitude are more likely to be helpful, generous, compassionate, and forgiving – and they're also more likely to be happy and healthy. Encourage your child to express their appreciation towards family members, teachers or others who contribute to their lives.

Childhood is an important period of development and parents are in the best place to help their children navigate this world. As we help our children make sense of the world, it is important to actively foster compassion, love and kindness, every step of the way.

We hope that you will join us in celebrating Kindness Day SG in the most meaningful way together with your loved ones!

*With best wishes,
Singapore Kindness Movement*

Kalle loves to play at the playground. She is playing on the swing.

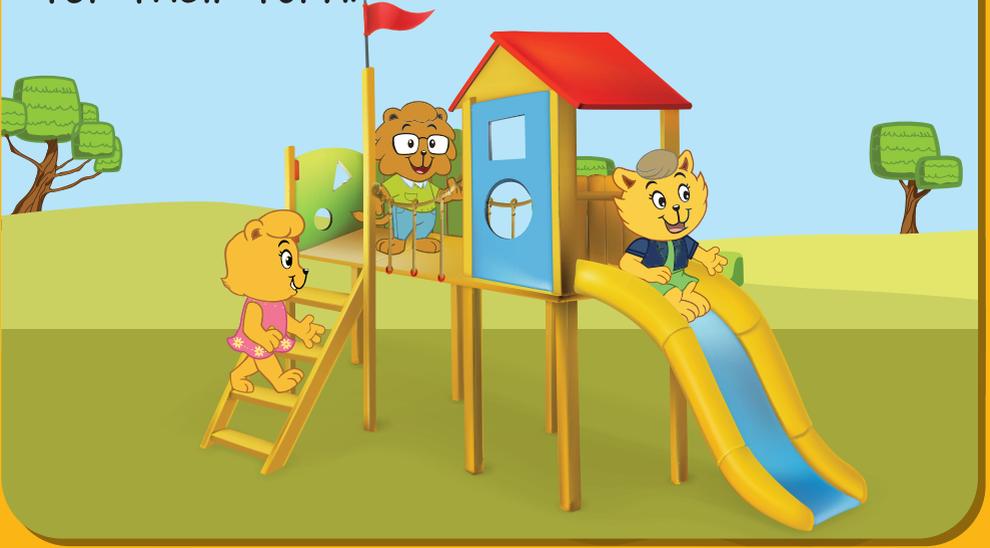

Tosh and Sher join Kalle at the playground.

Hello Kalle!

Tosh, Sher and Kalle take turns to play on the slide. They queue up while waiting for their turn.

You can do it, Sher!

Kalle and Tosh cheer for Sher when she slides down.

Feeling happy, Sher thanks Kalle and Tosh for playing together with her.

Thank you for playing with me!

You're welcome! Let's play together next time.
