A NEIGHBOURHOOD OF KINDNESS STARTS WITH ME!

What can you do or say to spread kindness in your neighbourhood? Complete the picture scene by pasting stickers in the speech bubbles!

BUCKETS OF KINDNESS
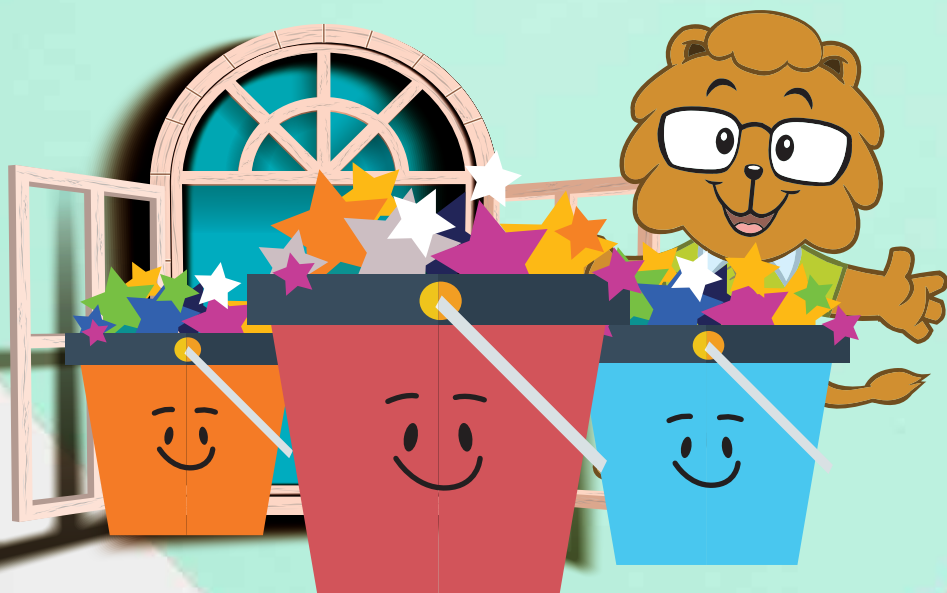

Together with your family members, create buckets and try to fill one another's buckets with kindness, appreciation and love. Here's how you can start!

1 Each family member will make his/her own bucket. Decorate it with colours and stickers. (Tip: You may also use a mug as your bucket)

2 When a family member does or receives an act of kindness, he/she can write it on a small note and drop it into his/her bucket.

3 You or your family member can also fill each other's buckets by writing notes of appreciation or words of encouragement.

Do you know that bucket filling can put smiles on your family members' faces? This makes the family feel happy, safe and supported.

Cut out these colourful cards and use them to write kindness notes for your buckets!

Hi-five!

I am a bucket filler!

WE ARE SINGAPORE

NDP 2018

NDP 2018 Theme Song:
We Are Singapore

Preface:
How many times have you heard them say:
"The future is uncertain and everything must change"
Well all of my worries and all of my fears
Begin to lose their weight, when I hold you near

If all that we are is what we believe
Then I know I have to be the change I want to see
How easy we forget that everything takes time
No, nothing's ever perfect, but I still call you mine

Chorus (X2):
This is my country, this is my flag
This is my future, this is my life
This is my family, these are my friends
We are Singapore, Singaporeans

Pledge (Spoken/Sung):
We, the citizens of Singapore,
Pledge ourselves as one united people
Regardless of race, language or religion
To build a democratic society
Based on justice and equality
So as to achieve happiness
Prosperity and progress for our nation

Chorus:
This is my country, this is my flag
This is my future, this is my life
This is my family, these are my friends
We are Singapore, Singaporeans

We are Singapore, We are Singapore
We will stand together hear the lion roar
We are Singapore, We are Singapore
We're a nation strong and free forevermore

We are Singapore, We are Singapore
We will stand together hear the lion roar
We are Singapore, We are Singapore
We are Singapore, Singaporeans (X2)

Do you know?

"We Are Singapore", is an adaptation of the 1987 version of "We Are Singapore", with a new preface by local singer/songwriter Charlie Lim.

BUILDING A CULTURE OF GRATITUDE AND KINDNESS IN ANGSANA

With the theme "Kindness. It's Up to Us", Kindness Ambassadors from Angsana Primary School carried out many activities.

Let's be Grateful
Students shared what they were thankful for and wrote notes to thank others on kindness shields.

Thank You, My Friend
Students shared greetings using different languages and participated in fun activities. These games taught them to show care to their friends.

A Month of Kindness
Students celebrated Warm-hearted Wednesday, Terrific Thursday and Feel Good Friday. They wrote nice messages for each other. Students thanked their parents by making notes in shapes of flowers and ties. To end the month of kindness, students were given a 40-day Kindness Gratitude Journal. The students were given a Super Captain Kaychain badge when they have completed the journal.

I Appreciate You, My Beloved Teacher
Handmade coasters were given to teachers and students who wrote thank-you notes at a Shout Out! Station during recess.

Through these activities, students were constantly reminded to be kind to one another.

Dear Singa and the Kindness Cubbies,

I gave up my seat to an old lady on the MRT train yesterday, and she thanked me profusely. I felt happy as I had done something kind. When she entered the train, nobody gave up their seats so I gave up mine. Although standing was tiring, I felt that she needed the seat more than I. I hope that more people can give up their seats to those who need it more, rather than pretending they did not see anything.

Dear Singa,

I helped my parents to take care of my younger sister. I played with her. When the thunder roared, I quickly hugged my sister as she was afraid of thunder. Recently, my mother had a surgery at the hospital. I promised her I would be good, and would complete my homework.

Dear Singa,

I like making friends in school. My favourite subjects are PE and Art. There was once my classmate was not sure how to complete her English corrections. She looked worried, so I asked her if she needed help. After I helped her, she thanked me gratefully. I felt happy.
