## JUNIOR

PRE-SCHOOL

Issue 1/ 2019

# Dear Parents,

A warm welcome to Kindsville! Kindsville is the place where Singa and the Kindness Cubbies live in. It is a happy town filled with kindness all year round.

Kindsville Times Junior for Pre-school is one of the Kindsville resources published by the Singapore Kindness Movement to educate pre-schoolers on kindness and graciousness. Each issue of the quarterly newsletter features kindness stories and activities that are focused on character building.

Kindsville Times Junior for Pre-school also contains Family Time activities such as games, puzzles or challenges that can be played or completed together as a family.

We hope that the newsletter can be a useful resource for parent-child bonding, as well as a material for parents to talk to their child about kindness.

Pre-schoolers usually look up to their parents as a moral compass and are likely to mimic their speech and behaviour. As such, remember that you have substantial power to shape your child's values and attitudes about the world around them. You can help them focus on positive values and behaviour such as sharing and caring.

Seize this opportunity to model good values and behaviour for your child to pick up. There is so much joy in nurturing and seeing your child grow up to a fine young man or lady, so take every opportunity to grow together as a kind family!

*With best wishes,  
Singapore Kindness Movement*
