Issue 3/ 2019

# Dear Parents,

This August marks another important milestone for Singapore as we celebrate our nation's 54th anniversary of independence. In support of Singapore's bicentennial commemoration this year, this delightful issue of Kindsville Times themed "Happy Birthday Singapore!" aims to encourage your child to be curious about our nation's history and heritage. Through the literacy-based and hands-on activities, your child will learn about and appreciate Singapore's heritage through nature, traditions and games.

When completing the activities with your child at home, we would like to encourage you to listen to and reflect with him/her on how we can show our appreciation towards the people whom have contributed to the building of our nation, and the little acts of kindness we can do to spread positivity in our communities. Be sure to respond with kind words and specific praises when your child has made an accomplishment!

We hope that you will continue to join us in instilling a spirit of graciousness and compassion in our younger generations, one kind act at a time.

Happy National Day and have a good holiday!

*With best wishes,  
Singapore Kindness Movement*

# Caring For Our Garden

To celebrate National Day, the Kindness Cubbies visit the Singapore Botanic Gardens.

Look! I see a tall tree ahead.

I know! That is a Tembusu tree.

Bright red berries grow on it.

Its white flowers are so pretty.

Red and white, just like the colours on the Singapore flag!

Wait, Sher! Please do not pluck the flower.

Why not?

Because we want it to grow...

So that more people can enjoy looking at it!

If you wish to see the flowers again, we can come here another time!

That's a good idea, Singa!
