# RESPECT OUR Differences

Kindsville is celebrating Racial Harmony Day.

It's Racial Harmony Day, everyone!

Isn't it amazing? We all get along wonderfully even though we have fur of different colours.

Yes, Kalle! Why should the colour of our fur affect our friendship?

Have you heard? There is a nearby town called Saharoo. There are red-coloured cubbies over there!

How unique. I've never seen a red cubbie before!

Why don't we visit Saharoo? We can get to know them better!

A trip? Count me in!

*In Saharoo, the Kindsville cubbies are excited to meet the red cubbies.*

Hello!  
We are the  
Kindness Cubbies.

We are from  
Kindsville!

Nice to  
meet you all!

Would you  
like a tour of  
our town?

They look  
so funny! Hehe!  
Look at that  
bright red fur...

And look! They are  
wearing the same  
pendants! They must  
be weirdos!

Spike! It is not nice  
to say such things  
about other  
people's culture!

Don't worry,  
Sher. We don't  
blame Spike.

He just doesn't  
understand our  
culture yet.

We are happy  
to chat and share  
about our culture  
if you like!

We would love that!  
Right, Spike?

I suppose...

"A long, long time ago,  
there was a scary  
monster in Saharoo.  
It loved scaring  
little children!"

"The townspeople  
tried many ways to kill  
it but they all failed."

"They finally succeeded by  
working together and building  
a huge maze to trap it!"

And that's  
why we all wear  
this pendant,  
which is shaped  
like a maze.

It reminds us of our  
ancestors who showed  
unity and perseverance  
when fighting a  
common enemy.

It inspires us to be  
united like them! If we  
work hard and work  
together, we can  
achieve great things!

Wow. That's  
actually very  
meaningful...

As for our red fur...  
We can't help what  
colour we are, right?

We were born  
this way and we  
are proud of it!

That's right!

Yeah!  
It doesn't matter  
how we look!

What matters is being  
kind with our words and  
actions even if we don't  
know the person...

And even if  
they're different  
from us!

**BINGO!** This is a  
wonderful lesson for  
Racial Harmony Day!  
Do you know why we  
commemorate it every  
year?

It is to celebrate  
all the different  
cultures living  
harmoniously  
together!

Racial harmony is  
what makes our  
society awesome!

You're right.  
I'm sorry for  
judging earlier.

No worries!  
Let's just remember  
to be kind and celebrate  
our differences!

# LET'S PLAY SNAKES AND LADDERS TOGETHER!

## HOW TO PLAY

You will need a counter for every player and a die. You may use small objects such as erasers as counters.

1. The person who initiated this game starts first.
2. Take turns rolling the die and move your counter forward according to the number on the die.
3. If you land at the bottom of a ladder, skip ahead by climbing up the ladder.
4. If you land on a snake tail, slide back down.
5. You must land exactly on the last square to win.

## SNAKES

- 18** – You have just excluded someone in school from playing together. That was unkind!
- 22** – You chose your project group friends based on their looks. That was mean!
- 26** – Oh no! You made an insensitive comment about your classmate's lunchbox and had no courage to apologise.
- 27** – There was a wedding celebration in your neighbourhood. You complained about the noise.
- 31** – You made fun of your friend when he shared about his cultural practices. You did not show respect to your friend and his culture.

32

# LADDERS

- 1** - Good job! You learnt something new by asking your friend respectfully about his/her culture.
- 4** - It was thoughtful of you to send your good wishes to your neighbours for their festival celebration!
- 7** - Great! You showed care and concern to someone who was bullied.
- 17** - Awesome! You ate and played with friends from different ethnic communities during recess!
- 23** - That's the way! You had a fun time and participated actively in your school's Racial Harmony Day activities.

Dear Singa and the Kindness Cubbies,

I would like to give a Kindness Award to my friend Harithaas. I would like to give it to him because he is kind to me. He helps me when I am in need. For example, when I need an eraser, he lends his eraser to me. Also, my friend respects me a lot. Finally, I would like to say that I am very grateful to have a friend like Harithaas.
