TiPS from the Soaper 5!

Singa is enjoying a walk in the park.

He sees Sher in the distance, admiring daisies.

She sneezes vigorously into the tissue.

Are you feeling alright?
Do you need to go to a doctor?

Don't worry, Singa. I'm okay.
The daisies tickled my nose
and made me sneeze.

That's a relief...
Hey, there's a rubbish
bin right over there.

Great! I can
throw my used
tissue away.

Good job, guys!
You're helping to
keep viruses at bay!

As Sher
disposes of
the tissue,
the Soaper 5
approach.

Huh? Who are you?

WE ARE THE
SOAPER
5!

We're a squad
of virus-fighting
experts!

We're here to help
keep viruses and
germs away!

Together, we keep
Singapore safe
from harm.

Ooh, that
sounds exciting!

Yeah! Can you
share some helpful
tips with us?

Of course
we can!

Earlier, Sher covered her nose and mouth with a tissue when she sneezed. That's a great way to prevent viruses from spreading to others.

**HANDS DOWN
HANNA**

Singa also reminded Sher to throw away her used tissue immediately. Keeping our surroundings clean makes it safer for us!

**WIPE UP
WILSON**

You should also keep your hands clean by washing them regularly. That will help to chase germs and viruses away!

**SUPER
SOAPER
SOFFY**

You can protect yourself and others by wearing a mask when you go out.

**MASK UP
MEI MEI**

It's important to stay vigilant when combatting bad germs and viruses! Take your temperature regularly – at least twice a day. See a doctor if you feel sick.

**VIRUS
SCREENER
VARUN**

These are simple actions you can take to prevent the spread of nasty viruses. They help us keep ourselves and our loved ones safe.

Thank you for sharing these tips with us,

**SOAPER
5!**

You're welcome!
If we all play our part, we can win the fight against germs and viruses!

As Sher smells the daisies again, her nose itches and wrinkles in a tell-tale sign.

Oh dear!
Does anybody have any more tissues?
