## TOGETHER, OUR SINGAPORE SPIRIT

# HELLO EVERYONE!

My name is August! I am a Merlion. My birthday is on the 9th of August, which is also Singapore's National Day!

This year, Singapore celebrates her 56th birthday. It is a time to celebrate our Singapore Spirit and to stay united and find new strengths in this ongoing pandemic.

Many of us will watch our familiar and favourite parts of the National Day Parade on TV and experience the celebrations within Singapore's heartlands.

I can't wait to share with you everything about National Day 2021 in this booklet. Let's all have fun, stay safe and enjoy the celebrations together with our family and friends!

**WITH LOVE,  
AUGUST**

# Let's celebrate our SINGAPORE SPIRIT

Hey! The 9th of August is just around the corner. That means it's nearly National Day in Singapore.

I wonder how Anban and Friends will celebrate this year...

Let's call them and find out!

GREAT IDEA!

HELLO!

HI CUBBIES!

Are you guys looking forward to National Day?

Yes! Speaking of which... I want to introduce you to someone!

Who?

This is our new friend, August. He knows everything about Singapore and the coming National Day celebrations!

HELLO FRIENDS!

Hang on... August? Isn't that a month?

It is. I was born in August, on National Day.

That is why August is also our National Day mascot!

Well, I love Singapore and I'm proud to share the same birthday with my country.

Did you know that 'August' comes from the Latin word 'Augustus'? It means great and magnificent.

I was named August to commemorate Singapore's magnificent independence!

That's so meaningful!

Anban said you guys can't visit Singapore to celebrate our National Day with us this year. But don't worry, I can share all the interesting details with you!

Yea! Singapore's National Day celebrations are always so amazing.

WOW!

I think everyone is most excited for the Red Lions and their famous free-fall displays. The Red Lions have been training hard for the special day!

We can watch the National Day fireworks and exciting show performances!

For example, they can decorate the school with their schoolmates. They can put up flags and national symbols in classrooms, corridors and other common areas.

Other than watching the celebrations, Singaporeans can play a part in bringing out the spirit of the celebration too!

Oh! Maybe even decorate the walkways and corridors outside their homes!

Nice idea!

I like it when everyone dresses up in the national colours - red and white!

Yes, there are so many ways we can show our love for Singapore!

If we share the joy of National Day with one another, it will really feel like we are celebrating as One People, One Nation, One Singapore.

## LOGO DESIGN

## OUR SINGAPORE SPIRIT

The NDP 2021 logo is inspired by the Lion Head Symbol, which was introduced in 1986 to express loyalty and commitment to the nation. We hope that the lion's courage and strength will spur our nation on as we overcome COVID-19, progress into the new normal, and build our shared future together as one united people. This is what it means to come together and demonstrate our Singapore Spirit.

### DID YOU KNOW?

The NDP 2021 logo was conceptualised by Tan Yun Xin, a Nanyang Polytechnic student.

Like the NDP 2021 logo, the National Anthem that you sing during flag raising also reflects our enduring hope and spirit, which remind us to continue working hard together to make Singapore a better home for all.

Identify the symbols in the logo below and write down what they represent.

Fill in the blanks.

- 1 The lion head represents our nation's strength of w \_ \_ \_ and u \_ \_ \_ .
- 2 The five bold strokes in the lion's mane represent the ideals in the five stars of our National Flag:

D \_ m o \_ racy

P \_ \_ \_ \_

P \_ \_ gr \_ \_ \_

J \_ \_ t \_ \_ \_

E \_ \_ \_ \_ ty

- 1 Spot a number within the logo.

## THE ROAD AHEAD

### Verse 1

One man on an island  
One drop in the sea  
All it takes to set a wave in motion

Is a single word, an action  
A hope that we can be  
The change that we've been longing to see

### Pre Chorus

For our home, our land, our family  
It's all within our reach

### Chorus

See this island, every grain of sand  
Hear this anthem, it's the voices of our friends  
Come whatever on the road ahead  
We did it before, and we'll do it again

## Verse 2

When the moments turn to hours  
And the day's last light is gone  
Look around us always and remember

There were times we were uncertain  
But we just kept walking on  
It's always darkest just before the dawn

## Chorus

See this island, every grain of sand  
Hear this anthem, it's the voices of our friends  
Come whatever on the road ahead  
We did it before, and we'll do it again

## Bridge

Our home, the home we share  
Where the garden always grows toward the light

Though the road ahead is daunting  
I know we're gonna be alright

## Chorus

See this island, every grain of sand  
Hear this anthem, it's the voices of our friends  
Come whatever on the road ahead  
We did it before, and we'll do it again

## **ABC - APPRECIATE, BE KIND, SHOW CARE**

Students at Northland Primary School found opportunities to show appreciation, care and kindness.

Kindness ambassadors set up a booth for students to write appreciation cards for frontline healthcare workers, school cleaners and security guards during recess. They also set up a similar booth where juniors could pen notes of encouragement and well wishes for their Primary 6 seniors.

To gather more kindness, kindness ambassadors also prepared a presentation on caring for the school environment. Their fellow schoolmates were invited to share ideas. Even a simple one like not providing plastic straws in school could go a long way towards protecting the environment!

For Teachers' Day, students posted their notes of appreciation online. They also came together to do a mass cheer for their teachers to show their love and thanks. For Children's Day, they donated stationery items for students in need.
