ONWARD
AS ONE NDP 2023

FOR PRIMARY 6

HELLO, FRIENDS!

My name is August! I am a Merlion. My birthday is on 9th of August, which is also Singapore's National Day!

This year, Singapore celebrates her 58th birthday. The theme for this year is "Onward As One". It calls upon Singaporeans to look forward with confidence while standing together in solidarity, as we continue to build our shared future together.

Find out how you can celebrate National Day with your friends, family and neighbours in this issue of A-OK!

I can't wait to celebrate it together with all of you!

NDP 2023 LOGO DESIGN

Logo

The logo portrays Singapore's determination to come together to build a shared future.

Upward Direction of the Logo

The logo is also angled upward to represent the aspirations of Singaporeans to take Singapore to greater heights, amidst any challenges that may lie ahead.

Identify the symbols in the logo and unscramble the words to complete the sentences below.

Lion Head

The lion head looking forward confidently and resolutely beyond the curve, which symbolises the horizon, represents our nation coming together with the determination to build a shared _____(**rufteu**).

Number "58"

The number "58" embedded in the lion's head reminds us of how far we have come in the past 58 years.

The Five Stars

The five stars represent Singapore's ideals of _____(**ccdeyramo**), peace, progress, justice and equality. These _____(**elsadi**) will firmly anchor Singaporeans as we move _____(**anodrw**) as one.

Did you get them right? Find out the answers on page 9.

THEME SONG

SHINE YOUR LIGHT

"Shine Your Light" tells us to give our best in everything that we do. This song also encourages us to celebrate our successes and stay united. In doing so, we can be the light for the people around us.

See it on our faces, hear it in our voices
Everybody hold tight
Ready, set, go!

Picked up the pieces, all our memories
Filled up with our pride
Deep inside we know

A little island upstream
A million voices, one dream

Oooh...
Keeping our head up
Oooh...
We've come so far and now it's time to

Go! Shine your light upon the world
Go! Shine your light upon the world
Shine your light, make it bright, everybody sing!

Packing our beliefs, we're dancing in the streets
We're onward as one, ready to go

Bring out the aces
Taking us places, we never could've gone
Now we're running the show

Our little Island of dreams
A million voices, one team

Oooh...
We've come so far and now it's time to

Go! Shine your light upon the world
Go! Shine your light upon the world
Shine your light, make it bright,
Everybody sing!

Light a spark or a candle, not a thing we can't handle
You can dream it, you can live it, you can have it all

Watch it turn into flames, passion burning the same
You know we gonna shut it down when the duty calls

Picture me this, all we wanna do is chasing the bliss
Upon the stars we making a wish
Moving along from the days that we miss

Let the sun dry your tears, let the light put out your fears
Lion City this a family for a few hundred years

Shine your light so bright, for the world to see
(One light, one Love, one destiny)

You can live you can dream what you wanna be
(Moving on one voice, one melody)

Shine your light so bright, for the world to see
(Through the rain, our hearts remain the same)

Burn bright through the night, yeah you gotta believe
(One life, one Love, one voice, one destiny)

Go! Shine your light upon the world
Shine a light for everyone

Go! Shine your light upon the world

Go! Shine your light upon the world

Go! Shine your light upon the world
Shine your light, make it bright,
Everybody sing!

Last term, some students shared about what they have learnt on International Friendship Day and what they would like to experience if they were to visit Indonesia.

If I were to visit Indonesia, I would like to visit volcanoes such as Mount Bromo and Mount Merapi. I would like to visit villages and try out traditional costumes and food. Since batik is popular in Indonesia, I want to go for a batik-making workshop too. I would like to find out more about the different religions and the different ways of worship as well! Lastly, I want to watch a puppet-shadow play, also known as the Wayang Kulit performance!

- Aliyah Irdina
Naval Base Primary School, Class 6 Independence

If I had the chance to visit Indonesia, I would like to go to Batam, an island in Indonesia. I want to go to Batam to try out a lot of new water sports that I have never tried before. I would like to experience Indonesia's traditional sports, such as Fahombo, also known as stone-jumping. I would love to try their food too. When I went to Bali, another island in Indonesia, their food was amazing! There are also a lot of beautiful dance forms like Saman Dance, Tor-Tor Dance and lots more. Overall, Indonesia is a beautiful place and I wish to visit again soon!

- Katari Driya
Opera Estate Primary School, Class 6 Honesty

If I had the chance to visit Indonesia, I would want to go to Bali as there are many outdoor activities and lots of tourist attractions, all with beautiful scenery we can enjoy. I would like to try White Water Rafting, where I can discover hidden waterfalls and jump in cool, refreshing waters. After rafting, I will ride my own ATV through fields, bamboo forests and lush riversides flanked by traditional Balinese villages. I would also like to see the Banyumala Twin waterfalls. It is one of many hidden treasures in North Bali that offers the splendor of exotic and charming nature. Seeing that in person would be surreal!

- Eamon Goh Jia Lun
Yuneng Primary School, Primary 6

I would like to go to Bali or Bintan as they are two of the famous tourist spots in Indonesia. I would like to try the variety of food that it provides, like gado-gado, rawon, and more! Mainly, I would like to attend the Bali Kite Festival and the Bali Arts Festival. I would also like to learn more about Indonesia. If I ever visit Indonesia, I would like to be friends with the locals.
