# Hello, friends!

The holidays are finally here! Are you doing anything special? In this issue, Singa and the Kindness Cubbies would like to share some meaningful activities that you can do with your family during the school holidays.

Before we start, let's write a "Thank You" card to someone who has made your year great! You could either draw the card yourself or use the stickers from the sticker page to decorate this one.

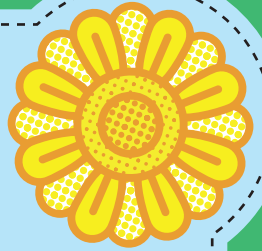

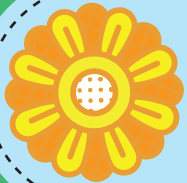

Thank You

for making my year  
a great one!

Dear \_\_\_\_\_,

From: \_\_\_\_\_

## Fun at Kindsville

**Thank you for joining us!**

This year, Singa and the Kindness Cubbies were on the move, meeting new friends like you! On 18 June, they brought Kindsville to the Children's Festival @ Gardens by the Bay. Families were invited to take part in fun activities such as the Kindsville Treasure Hunt, writing a letter to Singa and crafting a Thank You card.

Families also watched the Kindness Cubbies perform and joined in the K-I-N-D-N-E-S-S Dance!

Continuing with their June Holiday adventures, the Kindness Cubbies participated in the first-ever Park Connector Network (PCN) thematic trail along Punggol Waterway from 24 June to 30 July. As part of the PCN Kindness Campaign 2023, installations of the Kindness Cubbies were placed in various parts of the park connector to spread kindness and positivity to visitors. Many families were seen taking photos with the Cubbie installations during the campaign. Were you among those who did these and more?

Singa and the Kindness Cubbies have many more such events planned! Keep a lookout for new activities you can participate in with your family. We look forward to seeing you!

# OUTDOOR FUN!

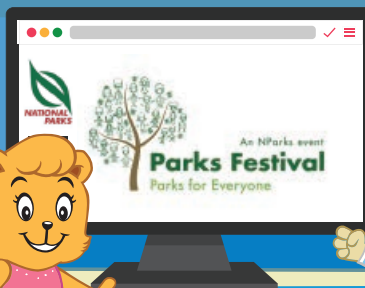

At Tosh's house...

1  
Yay! The school holidays are here! I'm looking forward to all the exciting activities I can do with my family.

2  
Speaking of exciting, I enjoyed the recent Parks Festival that we visited at West Coast Park Singapore.

3  
There were a lot of fun activities.

4  
My favourite part was the Pet Adoption Drive! How about the rest of you?

5  
The Therapeutic Garden display!

National Biodiversity Centre booth!

7  
Arts and Crafts activities!

I LOVED the fantastic Rockestra® concert!

9

We had a great time, didn't we?

10

Yes, we did!

11

It's the school holidays, shall we visit another park in Singapore?

12

Oh! We should visit the Singapore Botanic Gardens!

13

Yes, please! I've always wanted to visit it!

14

My grandma goes there every day for her morning walk.

She likes the fresh air. I'll ask her if we can join her tomorrow.

15

Wonderful!

The next morning...

LEARNING FOREST  
SINGAPORE

16

Thanks for bringing us here, Grandma!

17

It's my pleasure. Come on, there are lots to see!

SINGAPORE  
BOTANIC  
GARDENS

18

Look at this forest wetland.

This is an example of an ecosystem.

I'm learning something new today!

Keppel Discovery Wetlands

20

Some of these trees can grow to be the tallest in Southeast Asia.

SPH Walk of Giants

21

Wow...

22

I'm amazed at how tall they are!

23

These orchids are lovely.

24

Yes, they are! And the garden is a great place for them to keep growing healthily!

National Orchid Garden

25

That's so nice to hear!

26

Good morning, sir. Who are you? What are you doing?

27

Good morning. I'm an arborist. I'm checking to make sure the trees continue to grow healthily.

28

That's awesome!  
Thank you  
for keeping  
the park so  
beautiful.

29

You're most  
welcome! I like  
working here,  
amongst the  
greenery.

The group climbs up a slope...

30

Do you  
need help,  
Grandma?

Be careful everyone.

31

Don't worry. I just  
need a moment to  
catch my breath!

32

That was  
kind of  
you, Singa.

33

Yes. It's great  
that you show  
care and kindness  
to your friends  
and elders.

34

Kindness is  
everywhere!

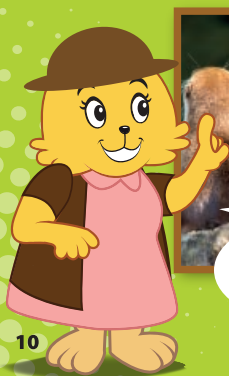

35

Well said!

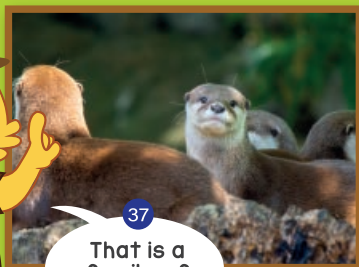

36

Everyone,  
look! What are  
those animals?

37

That is a  
family of  
otters!

38

How  
wonderful to  
see these  
otters!

39

Can I go  
closer for a  
photograph?

40

Wait, Tomeo!  
We should observe  
them from a safe  
distance.

41

Take the  
photograph  
from where we  
are. Noise and  
flashes of light  
may scare  
them.

42

Good idea.  
I'll do that.

After an hour, the group stops to have a rest and some snacks.

43

Your sandwiches are  
super yummy, Tomeo!

Bandstand

44

Please  
bring your  
trash with  
you or throw  
it in the  
trash bins  
provided.

45

Yes, we will  
throw our litter in  
the trash bins  
over there.

46

We will keep  
the garden nice  
and clean for  
everyone.

47

Thank you  
for a wonderful  
morning,  
Grandma!

48

Yes,  
we had  
so much  
fun!

49

Thank you  
all for inviting  
me along!

50

So... when  
are we visiting  
the park again?

# MY GRANDPARENTS AND ME

Sher loves spending time with her grandmother but often wonders what she could do to make her grandmother feel loved and appreciated. During her visit to Singapore, she asked several children to tell her about their grandparents.

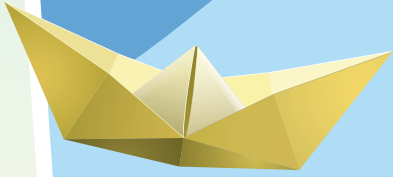

I love my grandma. She is so cute. She plays dolls with me and cooks me delicious food that I like to eat.

She teaches me, helps me with my homework, takes me for walks in the park, and tells me exciting stories.

Grandma shows me how to fold origami balloons and I will teach her how to create even more objects!

Lyla- Jean Loh  
Opera Estate Primary School, 1 Joy

My Gong Gong is a fun person. He plays with me, hugs me, cooks my favourite beef stew, and picks me up from school. I love writing him notes.

Damien Wai Renjie  
Catholic High School, 1 Faith

Thank you!

My grandpa loves gardening and sharing his stories. He makes the best milo and cooks the best scrambled eggs!

I made him feel loved and appreciated by greeting him, celebrating his birthday every year, accompanying him when he goes to buy food and giving him hugs!

Adryell Lai  
Tampines Primary School, P3 Joy

This is a drawing of Nenek and Atuk.  
We show our gratitude for their care  
by writing thank-you cards!

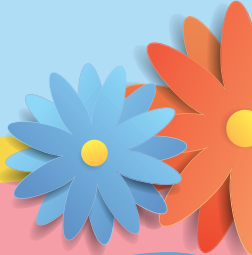

Shaeyan Sheza & Raysha Ryfqa,  
Punggol Cove Primary School,  
Primary 3 Pearl & Primary 2 Diamond

I would describe my grandma as someone who will do everything in her power to ensure I have everything I need, such as food. She cooks for the entire family, even when she is tired. She is a strong and capable woman who always brings smiles to everyone's faces!

I may not be very good with my Mandarin, but I make an effort to speak with her in Mandarin since she does not know English. I always try to make her feel included in all family activities. I'll teach her about things that people my age do and help her with her handphone as well!

I am thankful to be able to experience the joy of having a grandma!

**Did You Know?**

In Singapore, "Celebrating Our Grands" Day on 7 October is a day to honour and thank our grandparents for loving, caring and supporting us. How would you make this day special for your grandparents?

# FAMILY SNAKES AND LADDERS

## IT'S FAMILY TIME!

Let us join Becky Bunny and her grandparents for a special game of Snakes and Ladders, where they learn to show kindness through **LOVE, CARE AND CONCERN, COMMITMENT** and **RESPECT!**

This pack contains:  
Snakes and Ladders Board  
Character Counters  
Die  
List of Trivia Questions

You'll need:  
2-4 Players

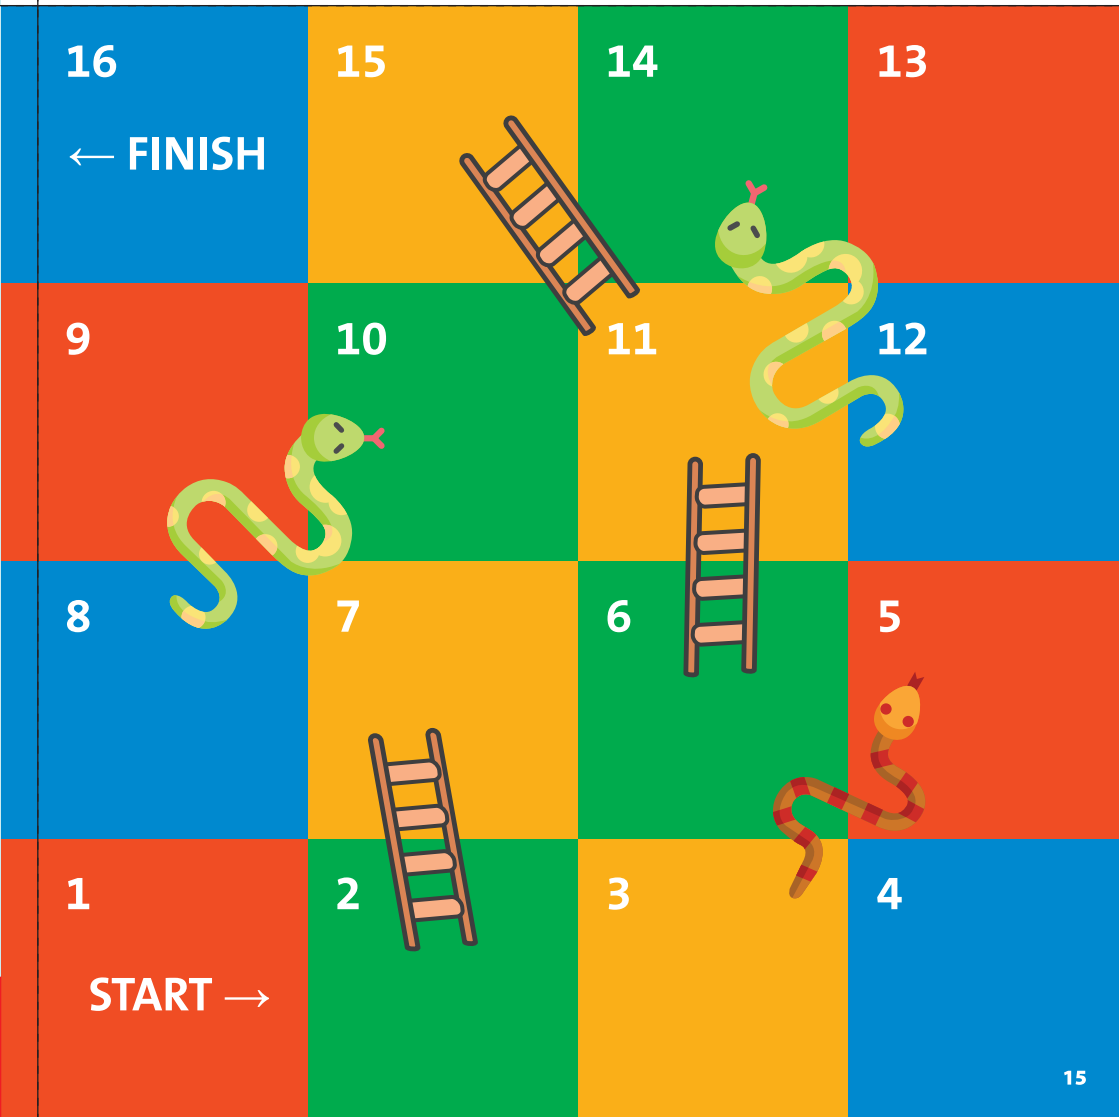

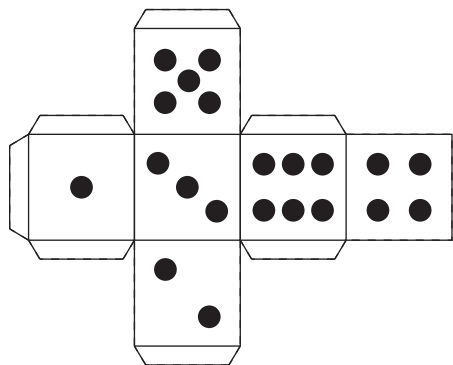

## HOW TO PLAY

- 1 Tear out the character counters and die along their perforated lines.
- 2 Each player puts their character counter outside of the board, just before the 'START' square.
- 3 The youngest player starts first, followed by the other players in a clockwise direction. On your turn, roll the die and move your counter according to the number on the die. Look at the number on the square you have landed on and answer the question from the list of trivia questions.
- 4 If the other players agree with your answer, stay on this new square even if there is a head of a snake on this square. If there is a ladder on this new square, move up the ladder instead.
- 5 If the other players do not agree with your answer, return to your original square even if there is a ladder on this new square. If there is a head of a snake on this new square, slide down the snake's tail instead.
- 6 The first player who makes it past the 'FINISH' square wins!

I can't wait to know you better through the game, Grandma!

## Outdoor Adventure Educator

10  
What's that?

11  
Let's find out!

14  
That's where Outdoor Adventure Educators like us come in! Would you like to know more about the work we do?

13  
There's so much to see and do... I don't know where to begin.

THE GREAT OUTDOORS

12  
Hi there, Cubbies! The outdoors is vast and full of wonderful things to see.

15

That would be great!

16

Yes, please!

17

We are knowledgeable outdoor guides and we make learning fun.

18

We introduce people to amazing sights and experiences and we keep them safe, too!

21

And you should have good social skills to lead and connect with people.

19

Are there any special requirements to become an Outdoor Adventure Educator?

20

Well, you need to be physically fit to work outdoors...

23

We're still young! You may feel more confident when you're older.

24

That's true!

22

It sounds fun, but I'm not sure if I can lead others well...

# Pastry Chef

25  
Wow,  
they look so  
yummy!

26  
Thank  
you!

27  
As a pastry chef,  
my job is to bake  
these tasty pastries  
and all other types  
of desserts.

28  
The favourite part  
of my job is baking cakes  
for special occasions...  
like birthdays,  
anniversaries and  
weddings!

29  
It must be  
very meaningful to  
help people create  
lovely memories.

30  
It is!

31  
Plus,  
delicious treats  
never fail to  
put a smile on  
people's faces.

32  
That's true! I love  
to use my creativity  
to create wonderful  
flavours and lovely  
designs. They look good,  
taste great and spread  
lots of joy, too!

# Air Traffic Controller

33

Hi, I work as an Air Traffic controller. I make sure that aeroplanes fly safely in the air.

34

That's an important job! How do you do it?

37

It is a huge responsibility. So, we have to be highly organised and work well under stress.

38

That's impressive!

35

I watch the planes in the air and on the radar...

36

And I give directions to pilots by using a radio.

40

Yes! There are so many different jobs that contribute to society in unique ways.

39

Hey, everyone! Did you see any occupations that interest you?

41

I hope my future job will contribute to Kindsville in meaningful ways, too!

I'm sure it will!

# "What does Racial Harmony mean to you?"

Congratulations to the winners for the Racial Harmony Day Contest!

## DEAR SINGA,

Racial Harmony is a day that reminds us that Singapore isn't divided into four, but rather one united country. We should get along well with our neighbours who may be Chinese, Malays or Indians. My family often treats my Chinese friends to Vadai, a traditional Indian food.

Sairangan Raghava

## DEAR SINGA,

Racial Harmony means bonding with people from different cultures and backgrounds. It is about helping one another regardless of race and living the kampung spirit.

I will help my neighbour on holiday.

My family and I will wish our neighbours during festivals.

Ong Rou Ying Tiffany

## DEAR SINGA,

Racial Harmony means living happily and peacefully with people of all races, both young and old. Saying "Hi" to my Muslim neighbours makes me happy, as they also greet me back with a smile.

Tao Nan School

## Consolation

## DEAR SINGA,

To me, Racial Harmony is a unity of different races and the opportunity to learn about other cultures. Whenever I spend time with friends of another race, I get to know more about their culture including their food, language and customs. Let us all live harmoniously!

Deepthi

### DEAR SINGA,

To me, Racial Harmony means that we do not say mean things to our friends and we do not fight with anyone. We must be kind and nice to all races. Being respectful to one another is important.

Singa, we can be Racial Harmony champions!

### DEAR SINGA,

I think Racial Harmony is coming together with different races and making friendships with one another. It is also being kind and respectful to people of all races.

A poem is a piece of writing that tells stories using feelings and imagination. Some poems rhyme, while others don't. "Humpty Dumpty" and "Mary Had a Little Lamb" are examples of poems that bring stories to life!
